## El Rancho Unified School Board Meetings for 2024-2025

(Dates are subject to change)

By attending the school board meetings, we are demonstrating our unity and strength as a union to district personnel and most importantly to the ERUSD School Board. In addition, our membership witnesses how decisions are made by the District and the school board.

**For special board meetings, please send 1 person to the meeting if possible.**

**Please wear red to the meetings so we stand out in the crowd.**
